WORK EXPERIENCE

1. EVANEM LTD. (January 2017 – September 2017)

Worked as cybercafé assistant specializing in internet accessory services, documentation, card design, data management, and sales. Also served as an assistant technical instructor, helping learners and trainees troubleshoot and fix their various workstations whenever needed.

2. SPECIAL MACRO SECURITY (March 2020 – May 2020)

Worked as security personnel with assignments at various sites and properties.

3. KIMAMO & SONS (June 2020 – June 2021)

Served as an assistant in charge of hygiene and general cleaning. Later served as the accountant, supervisor, and Assistant Manager before exiting the Organization.

4. MURANG'A COUNTY GOVERNMENT (September 202 – November 2021)

I took my Industrial Attachment here as a requirement provision for my undergraduate program. While here I served in the Finance, Economic Planning Unit, and Information Communication Technology departments. My major roles were; network connection, expansion, troubleshooting and configuration, desktops, laptops, and printers maintenance, software installation, configuration, and updates.

5. SEEN TECHNOLOGIES - September 2021 - April 2022

This is a software company based in Nairobi, Kenya. I served under this agency on an occasional basis - working as a full-stack developer and a technical writer. I majorly used Javascript and its frameworks such as Node.js, Express.js, and other libraries to help clients arrive at the best tech solutions for their businesses.

6. ZIMASTACK - May 2022 - March 2023

I did operate as a full-stack freelance developer and a technical writer at Zimastack, my own software development agency based in Nairobi, Kenya.

7. SUUEF-TECH UK - August 2023

In my free time, I am a freelance developer and a technical writer at Suuef-Tech Uk, a Digital agency based in London, UK.

8. TECHLIT-AFRICA From January 2024

I currently work as an Educator with Techlit Africa, an Non-Governmental Organization, operating in rural Kenya to spread digital literacy.

HOBBIES AND TALENTS

I am an artist and enjoy playing soccer. I enjoy reading, watching movies, listening to music and traveling. Technology has always found me a home and I really enjoy it when things look technical.
